FIRST SFPIII TENANT

Hobbs Properties is excited to announce our first Six Forks Place III tenant, **austriamicrosystems**!! Headquartered in Austria, austriamicrosystems is a company that designs and manufactures analog integrated circuits worldwide. They will be moving onto the 2nd floor, Suite 250 of SFPIII.

NEW SFPI TENANT

Summit Design and Engineering Services moved into Suite 170 of SFPI this month. They are an engineering, architectural and surveying firm with offices in Hillsborough, Roxboro, and now Raleigh. Summit's skilled professional and technical staff provide a comprehensive range of disciplines to a wide range of private clients as well as public agencies through team oriented management. Their services include:

- Architecture
- Civil Engineering
- Construction Engineering & Inspection
- Construction Materials Testing
- Geotechnical Engineering
- Lab Services
- Non-Destructive Testing
- Special Inspections
- Subsurface Exploration
- Surveying

Tenants please email office@hobbsproperties.com to submit articles, events, happenings and pictures.

We always welcome and appreciate referrals from our tenants. If you know of someone who may be interested in leasing office space please let us know.

SIX FORKS PLACE III UPDATE

austriamicrosystems has signed a lease for space on the 2nd floor of Six Forks Place III. The real estate agents who assisted with the lease were Colin Brown of Brown Commercial Realty LLC and Greg Hobbs of Hobbs Properties, Inc. If you know of a business needing of- fice space please let them know about us. Our Tenants are our best advertisers!
